7. Permission to Republish (check one):

Figures, tables, or other parts of the manuscript that have previously appeared in a publication or are not the property of the authors must be properly acknowledged in the manuscript. Permission to republish these items must be obtained by the corresponding author from the person or institution holding the copyright, usually the publisher.

_____ I (we) affirm that the material furnished for the journal has not been published previously elsewhere.

_____ I (we) guarantee that if the material has been previously published, in whole or part, permission has been obtained from author(s) and publisher for reproduction in the journal, and the authors have submitted copy for the credit lines with the manuscript. (Please attach permissions to this form.)

8. Financial Disclosure: I (we) affirm that any affiliations with or involvement (competitive or friendly) in any organization or entity with a direct financial interest in the subject matter or materials discussed in this manuscript (e.g., employment, consultancy, expert testimony) are noted below (if more space is needed, submit a signed statement). All financial research or project support is identified in an acknowledgment in the manuscript.

9. Competition Disclosure: If this research was sponsored by a company developing or marketing a product in competition with the material or products that are the subject of this study, describe below (if more space is needed, submit a signed statement).

Not applicable _____ Other _____

10. Author Proofs: The corresponding author will be given an opportunity to read and correct the edited manuscript as page proofs, and an author approval form must be signed. Failure to return the corrected author proof and page charge form to the Technical Editor by the deadline specified will delay publication of the article.

11. Copyright Release: Copyright laws make it necessary for the Association to obtain a release from authors for all materials published. To this end we ask you to grant us all rights, including subsidiary rights, for your article. You will hereby be relinquishing to the Poultry Science Association all control over this material such as rights to make or authorize reprints, to reproduce the material in other Association publications, and to grant the material to others without charge in any book of which you are the author or editor after it has appeared in the journal.

Whereas the Poultry Science Association, Inc. is undertaking to publish *Poultry Science*, of which the undersigned is author of one or more parts, the author grants and assigns exclusively to the Association for its use any and all rights of whatsoever kind or nature now or hereafter protected by the copyright laws (common or statutory) of the United States and all foreign countries in all languages in and to the above named article, including all subsidiary rights. The Association, in turn, grants to the author the right of republication in any book of which the undersigned is an author or editor, subject only to giving proper credit in the book to the original journal publication of the article by the Association.

The authors will receive no monetary return from the Association for the use of this material.

_____ A. I (we) agree to the foregoing terms.

_____ B. This is to certify that the work was written by an employee of the US government as part of his/her official duties, and a copyright cannot be transferred.
